

**EU Believers (to the tune of "Daydream Believer" by the Monkeys)**

<b>Applicant</b>	<b>Respondent</b>
My name is Boris from Emoh	
And I had a dream you know	
My finance - oh it was a tale of woe	
Had no cash -got a grant	
Tried to leave - they said you can't	
They want their money back but I say no	
	Don't get on that plane
	We're plugging our brain drain
<i>We are EU believers</i>	<i>We are EU believers</i>
<i>Help us CJEU</i>	<i>Help us CJEU</i>
	First we're asked to pay
	But our students move away
	We're just trying to make our nationals stay
	You're a bunch of hypocrites
	Claiming foreign benefits
	What has happened with the world today?
Workers have their rights	
So I am here to fight	
<i>We are EU believers</i>	<i>We are EU believers</i>
<i>Help us CJEU</i>	<i>Help us CJEU</i>
I waited tables just for tips	
Met and wed Miss Nezitic	
We became a family of four	
But it ended in divorce	
Now she's got the kids of course	
And I'm in jail because I broke the law	
	Ha ha - let us gloat
	That means you can't vote
<i>We are EU believers</i>	<i>We are EU believers</i>
<i>Help us CJEU</i>	<i>Help us CJEU</i>
	We're clearly in dispute
	Let's resolve it at the moot
	And see what AG Sharpston has to say
	In a judgment full of hits
	She'll deny you benefits
	So pack your bags and go back home today
Don't get me so riled	
Think of my poor child	
<i>We are EU believers</i>	<i>We are EU believers</i>
<i>Help us CJEU</i>	<i>Help us CJEU</i>
Thanks for being here	Thanks for being here
Now let's grab a beer	Now let's grab a beer
So let's enjoy the party	So let's enjoy the party
And we'll see you next year	And we'll see you next year
Let's en-joy the party	Let's en-joy the party
Where we will be next year?	Where we will be next year?
